**Standard specification features environmentally friendly hydrocarbon refrigerant (zero ozone depletion, extremely low global warming potential), polystyrene insulation (no blowing agents, recyclable) and 220-240/1/50 electrics.**

**For maximum performance with minimum energy usage, lights (where fitted) are low voltage LED and fans (where fitted) are also low voltage. Shelves are either chromed wire, stainless wire or ventilated stainless steel (depending on model) to maintain internal airflow and improve cooling performance.**

Models, specifications & prices are subject to change without notification, check details before ordering.

**For complete details on all Osborne products, please visit our website**

All prices are exclusive of VAT.

**This price list supercedes ALL previous lists**
