Depth (mm)	435
Capacity (ltr)	76
Beer Capacity	62
	(330ml, 236mm high)

Osborne Refrigerators Ltd have been established at our West Sussex base for more than 50 years and we are the leading British manufacturer of refrigerators designed for the chilling and storage of wine and cold beverages. As well as our professional range of cabinets, which are specified by leading breweries, drinks manufacturers and leisure companies across the world, we also produce a range of high quality cabinets designed specifically for domestic use.

All our refrigerators use ozone friendly hydrocarbon refrigerant (R600a) and CFC free polystyrene insulation and can be efficiently recycled at the end of their life.

The Osborne range is always evolving, due to our commitment to constantly improve our products and also in response to specific customer requirements. We have built an enviable reputation for the quality and reliability of our refrigerators and we will never stop working to maintain that reputation.

Details

Model BB90 is a small countertop or wall-hanging double door cabinet, ideal for licenced trade or retail environments. Designed primarily for the storage and display of bottled beverages, this cabinet is also suitable for foodstuffs. Manufactured from rust resistant zinc-coated steel with a hard wearing powder-coat finish or brushed stainless steel, the interior is beaten aluminium or stainless steel. Insulation is efficient, ozone friendly polystyrene and the refrigerant used is R600a. The interior is fan circulated with low voltage fans and lit by low energy LEDs. The door is double glazed and hinged on the right (door is reversible). Silver finish is standard but can be supplied in a wide variety of RAL and Pantone colours or stainless steel.

Features

Fan assisted evaporator for rapid cooling
Fan assisted condenser for efficient performance
Automatic defrost and re-evaporation
LED lighting give excellent product display
Top mounted unit allows wall hanging
Lit top panel ideal for branding
2 flat shelves

Options

Solid doors
Choice of colours
Stainless steel exterior and/or interior
Stainless steel doorframe/solid door

Cabinet Specifications

Model Number	BB90
<u>Physical Info</u>	
Height (mm)	806
Width (mm)	605
Depth (mm)	435
Nett Capacity (ltr)	76
Gross Volume Packed (ltr)	265
Gross Weight Packed (kg)	48
<u>Technical Info</u>	
Voltage (V)	220-240
Frequency (Hz)	50
Rated Power (W)	130
Compressor	Danfoss TLX8.7KK.3
Refrigerant Type	R600a
Refrigerant Charge (g)	51
Product Temperature Range (°C)	1-5
Insulation Type	Polystyrene, CFC Free
Insulation Thickness	40
Approvals	CE
