

# OSBORNE REFRIGERATORS

## Compact Wine Fridge

**MS18**

Osborne Refrigerators Ltd were established in West Sussex more than 60 years ago and we are the leading British manufacturer of commercial refrigerators designed for the display and storage of wine and cold beverages. The results of those decades of experience can now be experienced in your own home, with the new Master Sommelier Range.

Osborne fridges are designed to be good to your pocket as well as the environment. Low-voltage fans and LED lighting put very little waste heat into the cabinet and improved insulation and efficient compressors maximise cooling performance while using less energy.

All our refrigerators use environmentally friendly hydrocarbon refrigerant, CFC free polystyrene insulation and can be efficiently recycled at the end of their life.

The Osborne product range is always evolving, due to our commitment to continuous improvement and also in response to specific customer requirements. We have built an enviable reputation for the quality and reliability of our refrigerators and we will never stop working to maintain that reputation.

### Details

Over six decades of experience manufacturing for the commercial drinks trade has gone into our new Master Sommelier range of wine storage cabinets.

- Low-voltage white LEDs give excellent product display whilst emitting almost no UV light
- Low voltage interior fan gives superior performance with virtually no heat transfer into fridge
- Shielded evaporator prevents bottles accidentally coming into contact
- Easily reversible door with double-glazed glass, locks and replaceable seal
- Flexible compressor mountings minimize vibration
- Built for a long life and with easy maintenance in mind

### Features

- Fan assisted interior for near-comercial cooling performance
- Passive-vented compressor for quiet running
- Automatic defrost and re-evaporation
- LED lighting & low voltage fans
- Digital temperature controller adjustable from 5° to 20° C
- Double glazed door (can be swapped to left hinged)
- Adjustable feet front & rear

<u>Size</u>	<u>MS18</u>
Height (mm) +/-10mm feet	885
Width (mm)	297
Depth (mm)	550
<u>Capacities</u>	
Wine Bottle Capacity (75cl bottle)	18
Nett Capacity (ltr)	47
<u>Technical Info</u>	
Voltage (V)	220-240
Frequency (Hz)	50
Rated Power (W)	70
Refrigerant Type	R600a
Temp. Range (°C)	5-20
